

Biography: Amanda Pirani

Water Quality Assessment Team
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Amanda is a geoscientist who completes geological, soil, and groundwater reviews on sites regulated under the rules the TCEQ.

Prior Experience and Education

Amanda worked with the TCEQ Water Quality Assessment Team from 2008 to 2014, worked as a project manager in the TCEQ Remediation Division for two years, and returned to the Water Quality Assessment Team in 2016. Prior to working at the TCEQ, Amanda worked for the Arkansas Natural Resources Commission and the University of Arkansas. Amanda received her Bachelor of Science and Master of Science degrees from the University of Arkansas.
